## ART IN CHALLENGING TIMES

### A SOCIAL QUILT & SCULPTURE PROJECT

Comstock kids of all ages are invited to create 1-2 pieces of artwork to share their experiences, feelings, and/or what they've been doing during social distancing, school closures and staying home during this challenging time.

- 1) Create a work of art using their own 12"x12" pieces of fabric, unframed canvas, drop cloths or other easily sewed material. This may be painted, embroidered, mixed media, glued collage or anything that will hang evenly and flat in a quilt format with other artists' squares.
- 2) Create a 3-dimensional sculpture that is transportable and free-standing (on a table or on the floor). These may be of any material or medium as long as they are durable enough for exhibition and transport.

St. Mary's Art Center and the Comstock Cemetery Foundation have volunteers excited to sew the individual quilt pieces together to create one large piece of art (or more!). St. Mary's Art Center will exhibit the completed quilts and sculptures and host a fun reception and exhibition for all to enjoy and reflect upon the creativity and adaptability of the children in our community in the face of challenge and change.
